

# Terroir 2 by Ant Moore Sauvignon Blanc

**VINTAGE:** 2014

**TASTING NOTES:** Terroir 2 is the story of how grapes from the same region, valley and sometimes even vineyard can vary in their growth and palate. The weather, microclimate, soil types and diurnal temperatures all have a hand in determining a grape specific personality that vigneron and winemaker must mould and caress to get the best wine.

Aromas of tropical island fruits, entwined with melon, guava, peach and passion fruit. Make this lively fresh and easy drinking atypical style of Sauvignon Blanc from grapes grown in Marlborough. Enjoy chilled with or without food.
